The bison, which is the symbol of our high, was once king of the prairie over which our school now stands. Throughout this book we have used this monarch of the plains.

Dedicated

---

---

For four years, Mr. Scovil's jovial manner and friendly attitude have become a tradition in our class. His interest and example have provided true inspiration and incentive to many grateful students. That that influence might be remembered, we dedicate this book to him as co-sponsor of our class.

---

---

---

---

Miss Ferris' charming frankness and personality have made her a favorite in our estimation. Her spirit and enthusiasm as class sponsor have contributed largely to the success of whatever venture our class may have achieved. Although it is a small return for her efforts on our behalf, as a token of our appreciation we dedicate to her this Roundup of 1938.

# Foreword

Four years exist as one perpetual memory . . . four years, spent in hours of inestimable joy and sombre desolation . . . vagaries of youth. These have produced in our hearts that emotion termed school spirit.

As freshmen we were greeted by a large, spacious building, by rather formidable walls of inanimate brick and steel. But during our four years we caught a spark of that emotional feeling that burns deep in the heart of every student. Now as seniors we leave this, the center of our life, our joys, our loves, and our ambitions, with deep regret; for it was here that our ambitions have been born and our careers molded. It will always be with a pang of nostalgia that we recall the memory of those hours spent in working, playing, dancing and laughing.

If this book serves only to renew these memories, to strengthen that longing to again be in those corridors, living once again the careless life of our high school days, and to kindle anew that waning spark of pride in this, our school, it will be deemed worthy of the school and the student life which it attempts to portray.

PEP RALLY PRIOR TO BUTTE GAME

THE PRIDE OF OUR SCHOOL

ONE OF THE MANY DEPARTMENTS WHICH DISTINGUISH OUR SCHOOL

Though we may leave this school to go out on the path of life, memories of joys such as those experienced here will keep our hearts forever tuned to the carefree days of our high school life.

SPECIAL TRAIN AT BUTTE

Our band stands out among other activities in this school as it performs greater services year by year. Through their excellent marching and many formations combined with their well-blended tone quality, they are accepted as the best high school band throughout our state.

# SUPERINTENDENT

Among the EVENTS OF A SCHOOL DAY how many of us appreciate the mental health value of schedule and routine? That latest and most intricate development in mankind—the brain,—is least able of all our physiological apparatus to withstand the strains and stresses which the present times thrust upon it. We need the calm security which habit, routine, and scheduled comings and goings induce in our otherwise feverish living. Uncertainty, insecurity, and terror at the crushing cruelty of nationalism running amok, give peculiar value to the daily routine of a school day. Bells ring. We have to do this or that. We have to be here or there. A wholesome and steadying thing. So, blessed be schedules and routine in a world that seems more than a little mad.

# PRINCIPAL

EVENTS OF A SCHOOL DAY! Have you ever stopped to think of the magnitude of such a title? To one individual it may be very significant; to another very meaningless. It is so simple, yet tremendously intricate. It is so individual, yet strikingly collective. Yesterday's events have been recorded; today we lived a small portion of them; tomorrow you and I shall experience new ones.

However, the eventful day, for most of us, is quite distant. That day will find our hair tinged with gray; our time spent near the fireplace thumbing through the Roundup and reliving our youth.

On almost every page we will find recorded many events--the stories of success based on the decision of something well done,—be it scholastic, athletic or musical. Thus the events of the school year will again have passed into review through the efforts of another splendid Roundup Staff.

## BOTH SEMESTERS

The Great Falls Chapter of the National Honor Society was organized in 1924. Since then, about five hundred members have been elected to the organization of whom approximately two-thirds have gone to college.

The National organization has established forty "Revolving Scholarship Loans" with a yearly value of two hundred dollars each. These loans are available to those members who are in the three upper years of institutions of higher learning.

Members of the Society are selected by the entire faculty on the basis of leadership, service, character, and scholarship. The national rules require that those chosen rank in the upper third of the class in scholarship. Five per cent of the Junior class may be elected to membership at the close of the junior year, and ten per cent may be elected during the senior year. The members chosen are supposed to have attained most nearly the fundamental objectives for which a high school exists.

The following members were elected during their senior year: Veda Buffington, Avis Dotseth, Billee Fee, Harold Frank, Sue Frantz, Gwendolyn Galt, Artura Harsh, Helen Hoidal, Phyllis Horsewood, Maxine Killpack, William Kuschel, Conrad LaSalle, Keith Louttit, June McGlasson, Meredith Mehl, Sylvia Miller, Charlotte Moniger, Shirley Monroe, Don Nicholls, Esther Peressini, George Richardson, Robert Schmauch, Olga Skiftun, Eleanor Smith, Burt Talcott, Alice Tanner, Leona Taylor, Florene Thompson.

COACH TED HODGES

AS a token of our appreciation for the great work that Mr. Hodges has accomplished during his brief regime as athletic director and head coach, we dedicate the athletic section of this Roundup to him. In only four years he has produced three championships, tied for one, and was runner-up for another. His football teams have been undefeated at home for the last three years. He has easily had the most successful record of any coach in the history of the school.

BOB STANSBERRY  
Assistant Coach

After four brilliant years of football and track, he graduated from Montana University in 1934, to become principal and head coach at Columbus, Montana, for two years. At this time he joined our faculty and his popularity has been ever increasing.

\*This game was for the Northern Division Championship!

The Great Falls Blue Bisons opened their 1937 football schedule with an unexpectedly easy victory of 41 to 7 over the Miles City Cowboys.

Next, a fighting Butte Central team pushed the Bisons hard, but finally succumbed 14 to 0.

Making it three victories in succession over strong southern foes, the Bisons trampled the Billings High Broncs, 12 to 0. The Broncs went on to win the Southern Division Title.

On their first trip, Great Falls met the Kalispell Braves in a hard battle on their newly dedicated field, and barely emerged victors with the score 6 to 0.

In the following game with the Havre Blue Ponies, Great Falls found themselves behind in the first half, but came back to plunge and pass their way to a 12 to 8 win.

The next victims of the Thundering Herd were the Helena Bengals, who were thoroughly trounced by the spectacular passing of the Bisons, 38 to 0.

In winning these games Great Falls established a state high school record for completed passes. At Havre 15 out of 18 tries were completed; at Helena the Bengals succeeded in stopping only 2 out of 12 of the Bisons' aerial thrusts.

Returning home after three weeks away, the Bisons again gained another victory when they smashed the Fergus Golden Eagles 32 to 7.

After a lightless, prolonged intermission of one and one-half hours due to a short in the lighting system, the Bisons won a well-earned victory over Missoula, with the final score standing 19 to 7.

By winning this game, Great Falls established a very enviable record of not being beaten at home in three years.

Before sixty-five hundred football fans, the Butte High Bulldogs overpowered the Bisons in the most colorful game of the year with a score of 32 to 6. About one thousand Great Falls fans and a seventy-five piece band traveled to the mining city to witness the two undefeated teams tangle.

Considering the lack of material and the long strenuous season, Great Falls experienced one of the most successful football seasons in its history even though a championship was not gained.

# RESERVE FOOTBALL SEASON OF 1937

COACH BOFTO

Opening their 1937 football season, the Great Falls Reserves met and were defeated by Belt to the tune of 18-12. Having no lettermen from the previous year to steady them, the team played ragged ball and permitted the Belt team to pass over the head of the safety man for two touchdowns.

A week later Fort Benton High School came to the city and met a much improved Reserve squad which romped over the Longhorns easily, with a net score of 13-6. The locals scored all their points in the second half on long runs by the backs.

As Cut Bank one week later, the Reserves met stronger opposition and were forced to accept a final score of 20-2. A blocked punt for a safety netted the lone double for Great Falls.

On October 22, Big Sandy met bitter defeat at the hands of the heavier and faster Reserves. The game was so one-sided that Reserve second and third stringers were put in to finish up the contest with a handsome total of 30-0.

In the last contest of the season, Shelby met the Reserves on the local gridiron. With the score 19-12 in the last quarter the Reserves attempted to score by passing, but Shelby intercepted two of the passes and raised the count to 33-12 by the end of the game.

Coach Eino Bofto had charge of the Reserves and gave them able guidance throughout the season.

# FRESHMAN FOOTBALL SEASON OF 1937

Back row: Frank Birkenbuel, Bob Anderson, Delbert Peck, Joe Scharrer, John Onsum, Anton Engle, Logan Rogers, Tom Black, Dick Keefe, Harold Patterson, Joe Thiebes, Lester Safransky, Maurice Volkman, George Taleff, George Melvin, Eugene Leveque, George Babbe, Mr. Schultz.

Front row: Allen Boston, Frank Murphy, Pete Cladouhos, Dick McGee, Julius Marquard, Jim Talcott, Don Gouge, Arthur Pahl, Wesley Reid, Jack Janetski, Robert Lembke, Larry McDonnell, Bill Leach, Robert Ballowe, Don Haight.

Not Pictured: Harold Venetz, Eugene O'Handly, Bob Walker, Henry Walker, Robert Haximer, Adam Marshall.

In games won and lost, the freshman football season of 1937 was just mediocre, but in the spirit and the enthusiasm of the players it was by far the most praise worthy season experienced here in a long time.

The largest squad in the history of freshman football reported to Coach Schultz and continued to come out for practice throughout the season. Only four games could be arranged.

In the opener against Dutton high school the frosh lost a closely contested game in the last few minutes by a score of 13 to 7.

COACH SCHULTZ

Hoping to stimulate competition, a group of upper classmen organized under the name of the Razzle Dazzle Demons offered to play the freshmen. The frosh accepted the challenge and easily trounced the Demons by a margin of 45 points.

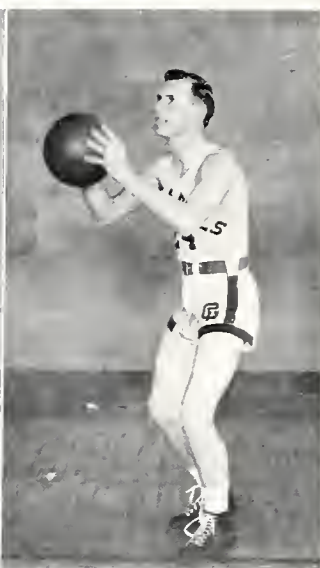

In the contest with Fort Benton, the Longhorns obliged the frosh by benching their heavier, more experienced seniors, but still emerged victors, 12 to 7. In the traditional game with the Junior High the yearling Bisons fell on the light, inexperienced red team to win by the most decisive score in years, 47 to 0. From the standpoint of the season's record and the enthusiasm, spirit and willingness of the boys to persevere, there is every reason to believe that many of these boys in the class of '41 will be well represented on the varsity and reserve teams before their high school days are over.

# BASKETBALL 1937-38

The outstanding basketball season in our history was the 1938 season. Only once before did a Great Falls team win the state championship, but because of the spirit of the team members and the interest and enthusiasm of the basketball followers, this season outshadowed that of the great team we had in 1936.

Many records were broken or established by this year's Bisons. For the first time they remained undefeated on their home court throughout the entire season. It was the first time that a Great Falls team could beat the Livingston Rangers. Although the Bisons failed to win back the "goat," the traditional trophy for the winner of our series with the Havre Ponies, they did break even with the Ponies in games won and lost, each team winning two. Later the Bisons beat the Ponies for the district championship.

In the regular playing season, the Bisons, playing a long strenuous schedule against all the major teams in the state, placed fifth in the Big 16 Conference race, although they defeated all the teams that rated above them.

With five veterans back from the previous year, the Bisons swung into mid-season form very early but failed to gain the poise necessary to win consistently. Many times during the season they fell into short slumps, only to come back with renewed spirit which served notice that they would be a definite threat by tournament time. As the season progressed, they gained experience and poise, although it was late in the season before they really hit their stride, after which they were almost unbeatable. It was a team of just mediocre ability, but because of its spirit, its determination to win, it was able to overcome foes of much greater ability and finish as basketball players.

Standing: Coach Ted Hodges, Joe Hume, Oliver Jacques, Ralph Cummings, Campbell Noble, Manager Leonard Lande.

Sitting: Bud Seelinger, Ben Stephens, Burt Talcott, Bob McPherson, Bud Mulvaney.

Trophies: Second place Northern Division—1937; State Championship—1938; First place Northern Division—1938.

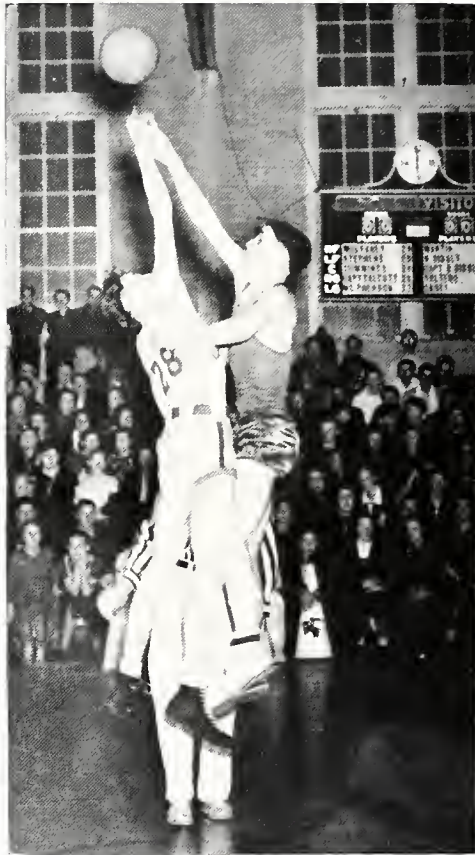

In the Northern Division tournament, Great Falls easily defeated Glasgow in their first game. Two nights later, by playing a much improved brand of ball, they advanced to the semifinals when they won over Missoula, 40 to 33. About three hundred enthusiastic Great Falls fans were on hand for the championship game between the host team, the Havre Blue Ponies, and the Blue Bisons. In one of the most exciting games of the thrill filled tournament Great Falls finally crushed the Ponies with the final score standing, 27 to 23.

After winning the Northern Division Class "A" crown, the Bisons moved on to Anaconda to meet the best teams from the Southern Division and the winning class "B" team from the north. In the first game of the tournament the Great Falls representatives finally won over the highly touted Beaverhead County High team from Dillon in a rugged, hard-fought game that ended with the Blue team winning 34 to 23. The Bisons, overconfident because of the supposed condition of the Cut Bank team, were surprised and almost upset by the inspired Class "B" team but managed to come thru to win 31 to 29. This game was for the undisputed championship of the Northern Division.

The next opponents of the Bisons were the Billings High Broncs. A crowd of 2,300 packed the gymnasium to the rafters to see the two undefeated rivals battle it out for the state championship. In the most colorful and thrilling game of the tournament—a fitting climax to a very colorful and successful season—the Blue Bisons successfully turned back their ancient rival, 37 to 36. Besides being remembered for its high class brand of basketball, this game will also be long remembered for the sportsmanship displayed, by both the losers and the winners. By winning this game Great Falls added to its other laurels the high school basketball championship for the state of Montana.

Due to a wealth of material directed by an able coach, the Reserve squad is able to display the most impressive record ever made by a B team here. In his first year as mentor in Great Falls, Mr. R. G. Stansberry guided the Baby Bisons to nine wins in eleven contests. Highlights of the year and of several recent years was a win over Belt on the latter's court. The Great Falls yearlings handed the Miners a 22 to 20 lacing there and took them 28 to 16 here. Against their next most important opponents, the Fort Benton Longhorns, the Reserves fared equally well winning in both towns. Both games against the local St. Mary's aggregation were won, 36 to 33 and 31 to 26. Other tilts won were with Fort Shaw, Power, and Simms.

On the debit side are but two set-backs. The game with Centerville was lost 35 to 34. Not until the second half did this one look like anything but a Reserve breather. In their other defeat the Baby Bisons were decisively beaten 34 to 23 by the formidable Browning Indians.

But over and above winning games, the primary purpose of the second team is to provide experience for future Varsity men. This purpose was not neglected for the sake of winning games. All of the boys who worked regularly with the team were given opportunity to play in actual games. A number of competent performers were given necessary seasoning for positions on next year's first string.

## RESERVE BASKETBALL

# INTRAMURAL SPORTS

The intramural sports program, since it was in the developing stage, was conducted this year in conjunction with the Great Falls Recreation Association. The association furnished some of the equipment, the officials, and arranged the schedules. High school students participated in leagues by themselves. It is hoped that by next year the school program will be even more independent.

During the fall season, a touchball program was sponsored permitting those who were unable to play regular varsity football to participate in an organized sport. The Clubfoots was the outstanding team.

Fall tennis and horseshoe tournaments were started, but weather conditions hindered any reasonable progress, although the semi-finals were reached in the horseshoe tournament. The matches were played on the various city fields.

Immediately following the touchball season the interclass basketball tournament—fruit league—was held with Mr. Bofito and Mr. Scovil in charge. About 250 boys turned out. They were divided into teams, underclassmen being bracketed opposite upperclassmen, and the winners of both brackets playing for the school championship. From these, about forty of the most promising players were picked to comprise the varsity and reserve squads. The remainder participated in the Recreation Leagues.

In the upperclass bracket the Bananas easily won out. The Sophomore-Freshman tournament was closely contested, but the Apples finally emerged victorious. In the playoff, the underclass team thoroughly whipped their elder foes.

In the girls' basketball games, the well known Butchers aggregation defeated all comers and were awarded the girls championship.

During the winter, the intramural program consisted of bowling for boys and girls and volley ball for girls only. Approximately 100 boys registered their desire to bowl and were divided into two leagues of eight teams each which bowled on the Falls Alleys. The Pin Smashers won the championship, winning twenty-six games and losing only one. Don Rebal won individual laurels by scoring a 183 single game average and a 549 series average for the entire season. Jack Turner rolled a 254 for the high single game of the leagues.

Fewer girls signed up so a doubles tournament was staged. The Apples carried off top honors by winning 18 games and losing none, while the Lemons were runners up. Persis Johnson of the Apples rolled the high single game, 196.

In the spring the annual all school tennis tournament will be held with suitable prizes and awards made for those who excel.

Regular baseball and softball teams will be organized for boys and softball for girls. Leagues will be formed and champions named for each division.

## INTRAMURAL SPORTS

1937 Track Squad

## TRACK 1937 and 1938

COACH CROUCH

With a squad of twelve, Great Falls, as defending champions for the fifth straight year, ran away with the annual North Montana track meet. Great Falls scored 56 points, and Havre, the Bisons' nearest competitor, placed second with 45. Adams, aided by his record jump of 10 feet 7 $\frac{5}{8}$  inches in the pole vault, his first place in the 120 yard high hurdles, and his third places in the javelin throw and high jump, won high point honors. Follick bested the discus throw record with a heave of 110 feet 9 inches.

COACH HORN

Other Bisons who won points were Britten, Stafford, Maffit, Overose, Zins, and Brown.

In the state track and field meet at Missoula, the Great Falls team composed of George Adams, Russ Britten, Charles Follick, Dale Maffit, and Frank Stafford, won third place, scoring 16 points.

Stafford won both of his specialties, the mile and the half-mile runs, and also tied with Yovetich of Butte for high scoring honors of the meet, each scoring ten points.

This year, since Mr. M. L. Crouch is relinquishing his duties as head track coach, Mr. Carl Horn has been chosen to take over the chief duties. Mr. Crouch will, however, continue to give some assistance in the sports he has developed so successfully during his many years' connection with athletics in Great Falls High School. Mr. Horn's ability as a coach is well known.

## MINOR SPORTS

The goal of minor sports participants is the state meets. Each year Great Falls send the outstanding wrestlers to the North Montana Wrestling Carnival at Havre, and the best golfers and tennis players are entered in the state track meet at Missoula.

Although there would have been a fine squad this year, there was no wrestling squad to represent the school. Mr. C. L. Paulsen, varsity wrestling coach, was unable to make suitable arrangements for the boys to work out. Next year a schedule will be prepared that will enable all boys interested to take an active part.

The golf team is under the direction of Mr. Hodges. Every spring a round-robin tournament is held to help select a representative to go to Missoula. Last year Hugh Muir proved himself against an array of aspirants and represented Great Falls at the track meet. Although he did not win, his experience will be invaluable to him when he tees up again at Missoula this year. Muir is expected to be hard pressed by Jack Clark and Bill Hill. Joan Kennard was the girls' representative in golf.

The jewel of our minor sports squad was our tennis team. An all-school tournament was held and the top players were chosen to make up the team. Six boys were selected and these in turn battled it out in round-robin tournaments with David Hegland and Heath Bottomly finally receiving the call to go to Missoula.

In the boys' singles Hegland coasted through to the finals but was just barely beaten by the Whitefish contestant for the championship. Hegland then teamed up with Bottomly and succeeded in winning the boys' doubles title for Montana.

Pat Wethered and Dorothy Huber were the last two to be eliminated in the girls' matches. Miss Wethered went to the meet and made a fine showing, although she failed to win.

# GIRLS' ATHLETICS

While the girls' athletic activities are all intramural and never command the public attention given the boys' athletics, the girls' program is really more varied than that of the boys and has fully as many, if not more, participants. Competition in tennis, softball, badminton, basketball, deck tennis, ping pong, archery, push ball, volleyball is keen throughout the year.

All activities, whether curricular or extra curricular, are under general supervision of the G. A. A. which was organized last year by Miss Lillian Murray and is now most active under the guidance of Miss Myrtle Stokke, the new physical education director.

The G. A. A. encourages participation in sports by means of its point award system. The point system establishes a definite criteria for awards. For unorganized activity such as skating, riding, bicycling, dancing lessons, and swimming, points are awarded on the basis of two points an hour.

The fundamental purpose of the Girls' Athletic Association is, however, that of organizing girls' sports. To promote this idea several tournaments are held during the school year. The first tournament is a short tennis tournament that lasts until unfavorable weather sets in. The girls who reach the semi-finals of this tournament are awarded 75 points. The finalists are awarded 100 points. In the spring as soon as weather permits another tennis tournament is held. The winner of this tourney is entitled to a trip to the State Track Meet at Missoula, which takes place the early part of May. Dorothy Huber is chairman of tennis for this year.

About the middle of October, the basketball season takes the spotlight. There usually is a short preliminary tournament which gives the girls a chance to loosen up. Then the main tournament. The members of the winning team each get 25 points; the members of the runner-up team each get 10 points; the captains of each of the teams in the tourney get 25 points. For playing every game her team is scheduled to play, a girl is given 100 points. If she should miss one game, she loses some points. Basketball is supported by more girls than is any other tournament of G. A. A. This year the Meatcutters won the basketball championship by going through the season undefeated. The chairman of basketball is Phyllis Moen.

The next tournament is the volleyball tournament. Points are awarded in this the same as in the basketball tournament.

To finish up the school year, a bang up softball tournament is held. Virginia Talbott acts as chairman of this event.

Although the preceding sports occupy the major part of the school year, interest in minor unorganized sports is kept alive by tournaments and scheduled time for practice. Archery, badminton, deck tennis, and ping pong are all carried on in this manner. Ruth Hugos, as chairman of archery, has been working with the archers all year. For indoor shooting, a large heavy felt curtain serves as a backstop. The portable targets can be used indoors, and out of doors when the weather permits. Archery is not only good fun and exercise, but is helpful in improving the participant's poise and posture.

# ORGANIZATIONS

The clubs and organizations  
of this school have served a  
very definite purpose for many  
years. In the first place, they  
have provided a means by which  
the student may develop his special  
talents and hobbies, which is denied  
him in the regular course of  
school. Not only do the organiza-  
tions have a practical purpose,  
however, but they also serve  
as social centers of the school.  
They help to keep a student in-  
terested in school life and make  
school a place for enjoyment as  
well as study.

In this book of the Events of a  
School Day, the organizations  
of this school deserve a place  
of primary importance; for  
their importance in school  
events is exceeded only by  
the academic phase of school  
life.

The Student Association has just finished its fifth and most successful year. It was organized for the purpose of securing student participation in helping to solve the problems of this school which relate to the student.

Under the adept guidance of Burt Talcott, the Student Association this year enlivened school life by promoting student interest in many school activities. They sponsored the activities ticket sale, the vaudeville, and Roundup Day.

# MUSIC DEPARTMENT

Development of ability and appreciation is of primary importance in our high school life. To this place is our music department dedicated. Through its influence, talent is discovered, musical proficiency expanded. However, its greatest benefits exist in the rhythm and musical appreciation members may derive from association with its instruction. A good that all should receive.

The orchestra and the chorus under the direction of Mr. Barr, together with the high school band, conducted by Mr. Richards, comprise the main divisions of the music department.

The orchestra has 85 members of whom a smaller number are chosen for the Little Symphony. This organization performs in selected school plays and assemblies as well as for musical activities.

Much favorable comment has been made on the popular Sunday afternoon concerts given by the chorus and the orchestra. It is hoped that these concerts might become a tradition in Great Falls High School.

The music department did a commendable piece of work in the presentation of the operetta "Tune In." They also brought before the student body and Great Falls as a whole, Robert Gillette and his chamber orchestra, which is one of the best orchestras of its kind in the world.

Unsurpassed in developing talent, initiative and cooperation, our band is outstanding among organizations of its kind. This year's efforts were characterized by an increasingly evident fluency of performance, and a well-regulated discipline. Both are essential to the success of a military band.

The first and second bands, directed by Mr. Richards, provided an excellent musical background for many student activities. The color and interest which our band lends to athletics was especially evident this year at the championship Butte game.

Its quality as a musical unit was well expressed at the annual concert given March 25 in the high school auditorium. The repertoire was unusually difficult requiring technique, blended tone, and the conductor's sensitive interpretation.

The N. F. L. is an honorary speech society which has for its objective the encouragement of speech activities. These activities include debate, extemporaneous speaking, declamation, and oratory. Membership in the organization is limited to those who excel in these speech activities.

In order to become a member of the N. F. L., one must earn fifteen points through interscholastic competition. Although Great Falls debaters engage in a great number of debates during each year, there are few who attain membership. A key is awarded to each member. Jewels are placed in the key according to one's rank in the number of points earned.

Originally organized in 1920, under the direction of Miss Mayme Murchie, the Forum has now grown to be one of the most active clubs in school. Its purpose is to help further the speaking interests of girls.

A profitable year was enjoyed by the Forum members. Also greatly enjoyed was the annual Senate-Forum banquet. One of the main high lights of the season was the display of the girls' superiority over the Senate in their annual debate. The Forum also held a profitable after-game dance. At the Booster Carnival, members did their share willingly.

Roundup Day saw the "Forumites" cheering their float on. A busy year was climaxed with the annual picnic.

The Senate was organized in 1914 and has the distinction of being the oldest club in the school. Its purpose is to develop the art of debate and public speaking, and to feature the practice of parliamentary procedure.

The Senate had a very active schedule this year. The first dance of the year, the Senate Fall Frolic, was one of its activities.

The Senate again sponsored the Intramural Debate tournament which was won by Margaret Severance and Eleanor Erickson, Forum members.

A very successful picnic brought the activities of the club year to a close.

Last year Great Falls debaters won the state championship for the second consecutive year. The winning team was composed of Helen Beth Severance and Bill Scott. These debaters won from Butte in the state finals. Bill Scott won individual state awards. Great Falls lost only one of the fourteen decision contests in a schedule of over twenty debates.

This year a much heavier schedule was arranged to take care of increased interest in debate. Thirty-six debaters participated in the intramural tournament. Margaret Severance and Eleanor Erickson emerged victors.

Debaters prepared several current subjects this year and appeared before various civic organizations.

The purpose of the Quill and Scroll club is to create further interest in the journalistic field and to give credit to those who are outstanding in journalism.

In order to become a member, a student must have had one semester of journalism, be a member of the Iniwa staff, and must be accepted by the national board.

This year the organization again sponsored the Extemporaneous Writing Contest.

The purpose of the Young Authors' club is to publish the Bisonette and to further the creative writing interest of many students.

As Miss King was unable to sponsor the group this year, the club was reorganized the second semester under the sponsorship of Mr. John Parker.

The Young Authors' club was first organized in 1931 under the sponsorship of Miss Edna King. The first president was Mazie Richardson.

The Bisonette started as a bi-annual production in 1932 and has been published by the club each year with the exception of 1937.

Players club, while not purely a dramatic one, has as its chief interest the promotion of entertainment and assistance with dramatic productions.

The club, even with a small membership, had a very active year. For the first time they presented the Christmas program. The makeup division assisted with the Junior High Christmas program, and had full charge of makeup for the choruses in "Tune In." The costume division handled the costume room for this same operetta.

This is the third year for the Players club and has been its most active one.

The aims of the A. R. T. club, as set forth by the constitution, are to promote a greater interest in the various fields of art.

This comparatively new and unique club was organized by popular demand in 1937 under the direction of Mr. C. H. Conrad.

A new arrangement which includes four meetings a month with three devoted to work, and one meeting held in the evening for social purposes, has proved successful.

The first year of the club included many activities. A dance was held and the Booster Carnival was ably supported by the members of the club. The club turned out unanimously to aid with a float on Roundup Day. Members of the club are looking back on a truly educational, busy, and interesting year.

Every year, students interested in library work come into the library and apply for work as student librarians. These students learn about the library, its methods and its books. They are introduced to practices which may later prepare them for definite vocational training.

Office duty, sponsored by Miss Grace Reiding, has been in existence nine years. It is open to junior and senior girls and boys. The members run errands, answer the telephone, check attendance, file cards, use the switchboard, and perform many other duties which they are required to do. Besides learning poise and self-confidence, the girls learn the general office procedure which should help them later in trying to get a position.

The purpose of the Booster Club, which was organized in 1924, is to provide additional revenue for athletics and to promote the best interests of the school.

During the football season, the club members sold refreshments, operated the score board, and at halves provided orange juice to each team. This year they sold refreshments on the "Booster Special" to Butte.

The Booster Club has sponsored each year the Booster Ball, the Booster Picnic, and the Booster Carnival.

During the past year it has balanced various deficits for the athletic council, provided the last two hundred dollars needed to send the band to Butte, and has purchased a rubbing table and a medicine cabinet for the team.

The purpose of the Business club is to acquaint the students of the commercial department with business practices and to keep in close touch with the business men downtown.

The Barn Dance which was one of the highlights of the season will now be an annual affair. During the year a roller skating party and a field trip were enjoyed. The annual picnic climaxed a successful season for members of the club.

The club was organized a year ago under the sponsorship of Mr. E. G. Reed and Mr. K. W. Erickson. Mr. Bosley has now taken over the place left vacant by Mr. Reed.

The main purpose of the Biology club is to aid those who are interested in biology and wish to learn about the life surrounding them.

Each meeting is spent in studying various plants and animals. Microscopic experiments, aphid mounting, and the making and the uses of slides are among the winter activities participated in. In addition, many films of interest have been shown. In suitable weather there are picnics and hikes to examine numerous plants and insects. The club had as its concession at the Booster carnival a dart-throwing booth.

This organization is a group of about forty members. It provides ushers and ticket sellers for the high school auditorium and also furnishes ushers for the reserved section in the stadium during the football season.

The club was organized in 1929 to do necessary stage work and to usher in the auditorium of the new high school. This group was known first as the Tormentors club. Later this group was divided into two sections. One group became the present stagecraft class and the other continued as the House Division.

This year membership in the club was opened to girls, and many availed themselves of the opportunity to become first-class ushers.

The Patrol Squad was organized for the purpose of patrolling the stadium fences during football games. It cooperated with the city traffic officers in enforcing correct automobile parking and later undertook active care of the campus. In 1935, the club took over duties of patrolling inside activities and traffic.

This year the squad is composed of five groups under the leadership of the chief and a captain of each squad. Activities include patrol of football games and the direction of traffic within the building. By next year certain places in the gymnasium, during basketball games, shall be under the supervision of the patrol squad.

A banquet was given the squad by the Athletic Council this year as an indication of appreciation for the fine work carried on during the football season and during the school year.

The Agora club's purpose is to incite interest in significant modern subjects through discussion in an open, informal manner.

A wide variety of topics were presented at this year's meetings, ranging from the foreign policy to free love. Spirited arguments enlivened all gatherings.

In this, its third year of existence, the Agora club lost its sponsor and founder, Miss Jeanette Garver. Miss Louise Geyer, librarian, accepted the helm and re-organized the club according to its traditional principles—membership restricted to juniors and seniors, frequent party-meetings, and limited roll.

Agora sponsored the first dance of the year and the confetti booth at the Booster Carnival.

The main purpose of the Radio club is to promote interest in radio among high school students. At present there are three licensed amateur radio operators in the club and two more are nearly ready to take the government examinations.

The club meets each Friday. After the business meeting, discussions on various problems before the experimenter are held along with the regular code practice.

The organization owns and operates amateur radio station W7DBU in the print shop. This club had a concession at the Booster Carnival and will be represented in the public demonstration of amateur radio the first Sunday in June.

The Sub-Deb club grew from a private group of high school girls to its present large high school club under the sponsorship of Miss Grace Lerry.

The purpose of the club is to give girls an opportunity to learn how to "grow up" and develop charm through its numerous outside speakers and Sub-Deb literature.

The Sub-Debs crowded many activities into this one short year. These included a candy sale, charity gifts, after-game dance, Booster carnival, roller-skating party, splash party, mixed picnics, and a mother-daughter luncheon.

This year the club has been led by Mr. Stansberry, faculty sponsor, and Mr. Bye, Y. M. C. A. sponsor.

Among other activities, the club had a concession at the Booster carnival and a dance at the Y. M. C. A. Due to other activities, the club held their dinners bi-weekly instead of weekly as in other years.

The club was reorganized in 1930 with Mr. Garver as sponsor. The following year Mr. Tisdale became sponsor and was succeeded in 1933-34 by Mr. Scovil. In 1935-36 the club was under the sponsorship of Mr. LeRoux.

The membership roll of the French club this year was larger than ever before; the first semester there were forty members; at the beginning of the second semester the number was increased to forty-nine.

The large enrollment was due mainly to the fact that students of elementary and intermediate, as well as those of advanced standing in French, were eligible.

Club activities were planned so as to provide something of interest and profit for each group. Eight regular meetings were held each semester, usually on the first and the third Friday afternoons of each month.

The Great Falls High School Home Economics club was organized February 15, 1923, and has been an active club ever since that time. At present there are thirty-two members and three sponsors. The purpose of the club is to give its members a happy girlhood and to help each member improve herself.

Each year the club sponsors the Co-ed Prom, which is the only all-girls' party of the high school year. The club operates the home-made candy booth at the Booster Carnival. At Christmas time there is a party with Santa Claus, a tree and gifts for all. The programs for the year have been varied.

The club is a member of the Montana Home Economics Association and thereby affiliated with the American Home Economics Association. The members hope to be of service to their department, school, homes, community and nation.

The purpose of the Junior Red Cross club is to sponsor the Junior Red Cross roll call, to fill and distribute baskets of food to the needy at Thanksgiving, and to send cheer to the shut-in student.

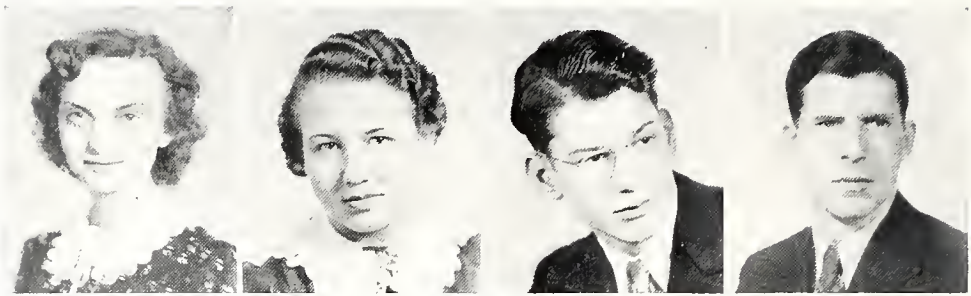

This year some of the members have completed a course in first aid and will receive a Red Cross first aid certificate.

The club has tried to send fruit, flowers, or magazines to students ill in the hospitals, and a rose has been taken weekly to a student who is receiving orthopedic treatment.

Although this is only the second year of the club's existence, the members have taken an active part in all school activities.

Iniwa, the Indian word for Bison, is the name of the Great Falls high school paper. It is a seven-column, four page paper, issued once a week, with a weekly circulation of 1700 copies.

The staff is made up of second semester, or A journalists, who have been learning the rudiments of publication during their first, or B semester. The editor is chosen by the sponsor, and is a student who has finished a full year of journalism.

A new staff takes office each semester, with the exception of the business manager and assistant, who are appointed by and work with the faculty treasurer, Miss Donna Henry. The Iniwa has had a new adviser this year, R. T. Struckman having taken the place of Miss Carman.

The Three Cornered Moon, presented by the Senior Class April 29-30 under the direction of Miss Evelyn Clinton, was outstandingly successful.

The scene was laid in a cheery, combination living and dining room of a typical modern home.

Three Cornered Moon is a comedy concerned with a comparatively rich family who finds themselves in humorous situations. In the first act the Rimplegars have been spared the necessity of working out. Suddenly they find themselves penniless. Mrs. Rimplegar, having sold the family fortune to a margin broker, puts on a wrapper, does up her hair in a Turkish towel, and meanders dizzily around the house. The children all go to work at starvation wages, but the Rimplegars always remain the same.

The effective stage setting which contributed to the appropriate atmosphere was made by Mr. Peck and his helpers.

The All-School Play, Double Door, was presented February 3, 4 under the direction of Miss Evelyn Clinton. The settings were designed and constructed by stagecraft classes under the direction of Clemen Peck.

The play follows the life of the Van Bret family which is dominated by the elder sister, Victoria. Despite Victoria's protest, Rip her half-brother marries his beautiful young nurse.

By threatening Rip, Victoria forces them to live with her and does all in her power to disrupt the happiness of the young couple. She is almost successful in her attempt but fails at the height of her plans.

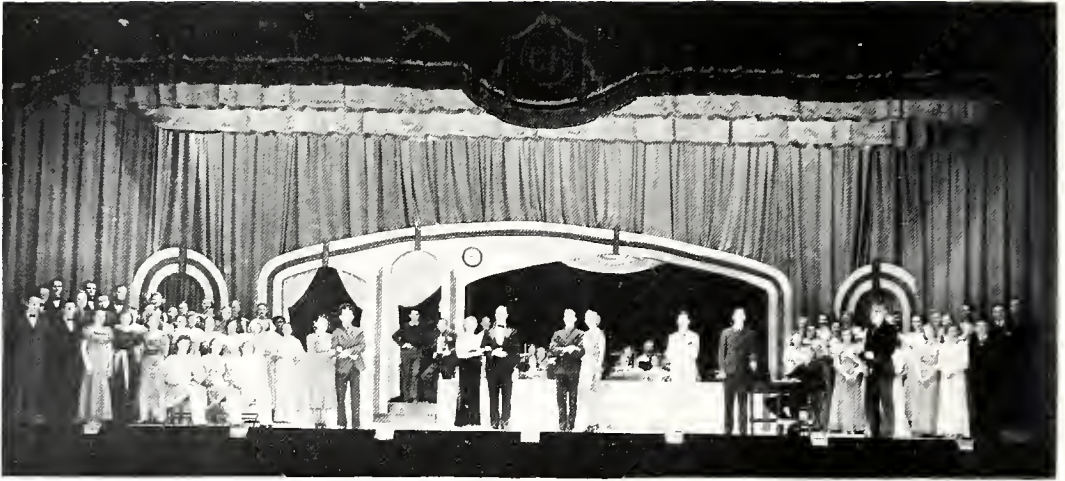

Tense excitement prevails when Victoria locks the young bride in a sound-proof vault and prepares to go to Europe. However, when this plan also fails, her mind breaks under the strain.

Music was furnished by the Little Symphony orchestra under the direction of E. Lawrence Barr.

The setting of one of the most entertaining musical comedies ever to be presented in the auditorium of the Great Falls high school was in a modernistic radio station. The time of act I was the evening of December 30. In act II, the time was New Year's Eve.

The lilting, rollicking rhythm of the Blue Blue-Anians, selected from Little Symphony Orchestra, and the superb singing of the studio chorus made a sparkling comedy which will linger in our memories.

One of the most enjoyable scenes was the Kodfish Kiddies' Klub. The costumes and the actions of the chorus and specialty dancers made this a very popular number.

The production staff, consisting of musical directors, E. Lawrence Barr and Grace F. Ferris; dramatic director, Evelyn Clinton; dance director, Myrtle Stokke, and her student assistants; technical director, C. M. Peck; costuming, Mary Kimball and student assistants; business management and publicity, K. W. Erickson and student committee; staging, accompanists, and the House Division of the Tormentors' Club made it possible for the music department to make its presentation a success.

# JUNIOR-SENIOR PROM

High School Gymnasium

Saturday, May 29, 1937

Crowns, crystal chandeliers, and royal colors helped interpret the coronation theme of the Junior Prom held last spring by the Junior class in honor of and as a farewell to the 1937 graduates.

An eight-piece orchestra, "Genial Gents," featuring two pianos, played from nine until midnight.

The Junior class as a whole volunteered its services in decorating the gymnasium. The decorations were particularly elaborate. A false ceiling of purple and gold was planned. The orchestra played on a canopy covered throne with a blue velour background. Royal purple, red, gold, and green, in a crown motif decorated the orchestra canopy and also the entrances. A crystal chandelier several feet in diameter hung from the ceiling center. Smaller crystal chandeliers were hung at each side. A special lighting effect, consisting of a circular three-foot tube, was suspended from each corner.

The programs were very attractive. The book was of white imitation leather with gold lettering and a gold tasseled card.

## DANCE PROGRAM

- |                                     |  |
|-------------------------------------|--|
| 1. The Love Bug Will Bite You       | 8. Boø Hoo                             |
| 2. Little Old Lady                  | 9. Sweetheart, Let's Grow Old Together |
| 3. The One Rose                     | 10. Let's Call the Whole Thing Off     |

| 7. Too Marvelous For Words          | 14. This Is My Last Affair             |

The shimmering of the crystal of the chandeliers, the soft hues of the lights reflected from the cleverly constructed ceiling, the flower like colors of the dresses, and the soft strains of an excellent orchestra made the traditional prom the most outstanding one ever held.

Patrons and patronesses included Mr. and Mrs. I. W. Smith, members of the school board and their wives, faculty members and their wives, and the parents of the officers of the Junior class.

## EXTEMPORANEOUS SPEAKING

Again this year extemporaneous speaking assumed a position of major importance among the activities of our school. The contest was sponsored by The Forum and was under the general supervision of Mr. Micken. Eligibility was extended, as in former years, to all members of the student body. Enthusiasm was raised to such a pitch this year that over forty students answered the initial call for contestants—all with their eyes turned toward Bozeman and the state-wide contest.

The contest consisted of three rounds before the winner was picked. In each round the speaker was given one and a half hours in which to prepare his speech. After this allotted time, he had to talk fluently upon his assigned subject for seven minutes. The number of contestants was decreased until six were chosen for the finals. Those surviving the first two rounds were Helen Beth Severance, George Arthur, Floyd Chapman, Valerie Lapeyre, Margaret Severance, and Wilson Nicoll. The judges, consisting of members of the faculty, selected Helen Beth Severance as the one to represent the school in the district contest. Helen Beth again managed to hold the judges spellbound in the district contest and thus won the honor of competing in the state contest at Bozeman during high school week, where she gained the honor of being the first girl to win the state contest in seven years.

The extemporaneous speaking contest this year was one that has been unprecedented by those held in former years, not only in terms of the great number of students who participated, but also in terms of the successful and efficient way in which the contest was managed and judged.

## EXTEMPORANEOUS WRITING

The extemporaneous writing contest, sponsored by the Quill and Scroll club was held during April this year. The students who entered the contest were given a wide variety of subjects from which they might choose and were allowed two hours in which to write upon their choice of subjects. No bound was placed upon the length of the manuscripts this year, either in the minimum or maximum number of words. No research or any form of outside help was permitted; the writer had only his literary skill and imagination to aid him in his efforts.

The papers were numbered in order to remove all prejudice in the judging, which was done by members of the faculty. From over sixty entrants, the respective class winners were chosen. The best paper was then selected from those four which were written so skillfully as to win first place in each class. In this way the all school winner was chosen. George Arthur won first place in the Senior class. Bob Crowley placed first among the Juniors. Betty Nelson and Virginia Wolfe were the Sophomore and Freshman champions. From these literary masterpieces, George Arthur's manuscript was judged the best, and he consequently became the all-school winner.

# ROUNDUP DAY

Roundup Day, the day of greatest traditional importance in our high school, brought to life once again those glamorous days of the old West. Indians, cowboys, prospectors, and even those dainty belles of many years ago were seen tripping about our halls during the intermission between the brief class periods.

This eventful day was held this year on May 6 and was without a doubt the most successful day of its kind ever held as a greater number of the student body appeared in costume than ever before. Programs were held in most of the class rooms during the morning. At the assembly, the costume parade terminated in a prize for the best Indian costume, cowboy costume, home-made costume, and others. Since this day is a tradition, the events in the annual assembly have become a part of our school life. A compilation of the Events of a School Day would indeed not be complete without mention of this day which has become a heritage of the students of our high school. The traditional square dance in which only seniors are allowed to participate, bean-eating contest and community singing were high lights of the assembly. Speeches were delivered by the class presidents which dwelt upon the superiority of their respective classes. Burt Talcott spoke for the seniors, Doris Eliason for the juniors, Bill McInnis for the sophomores, and Harold Patterson for the freshmen. Other events featured in the assembly included an Indian dance, a girls' trio, and a German band composed of faculty men.

In the afternoon an unprecedented parade, not only in size but also in the work which was evidently put into this colorful panorama, was staged. Students garbed in their various costumes marched in groups throughout the parade. Two bands accompanied the parade down Central Avenue and then back again. The floats were divided into the eight classifications of Institutions and Historical Events, Old Fashioned Scenes, Characters, Vehicles, Famous People, Reproductions of Charlie Russell Scenes and Paintings, Indian Scenes, Comic Floats and Miscellaneous. The various clubs and classes which entered floats in the parade were rewarded where the judges saw fit, while the students marching were given merchants' prizes for outstanding costumes.

In the evening a large fire in the form of a G. F. was started west of the campus as a signal that Roundup day was again nearing a close and the dance, which was the climax to the whole day, was just beginning. The high school gym was decorated for the dance in such a way as to carry out the theme of the day. All the prizes for the day, to the amount of \$150, were awarded at the dance.

As twilight came, this day became only a glorious memory to all those who participated in its various activities.

Those in charge of Roundup Day were Carl Conlon—Boss of the Outfit, Eleanor Smith, Kimball Moore, Helen Hoidal, Lester Hogan, Bob Bangert, Leona Taylor, and Conrad La Salle.

# THE PROPHECY

One morning as the multi-millionaire Lester Hogan, in his red and blue checkered pajamas, sat eating breakfast in bed, his butler Ed Draker entered sedately bearing a gold-edged letter. It was from his old school pal Ted Rhody.

Tearing the seal with his gold letter opener from the Moran Jewelers, he put his well-kept hands into the envelope. In the letter were many clippings and news items from a paper edited by the great journalist, Carl Conlon.

In one clipping he noticed that Bob Keller, mayor of Great Falls, had just returned from a trip to Helena where he had a delightful time visiting the governor and the first lady of the state, Burt Talcott and Leona Taylor. While there he visited the legislature; the question for discussion had been bigger and better bicycle trails introduced by Senators Peet and Simpson. Before he left, a filibuster was in progress led by Senators Bangert and Paxton. Duane Straiton and Kimball Moore, messengers from the Senate, were so busy that they had to hire aid. Those fortunate enough to be called were Louttit, Landsrude, Lande and Lehman.

Another item making the head lines, was the name of Sonny Reid, Manager of the Red Sox, who was welcomed home by Gordy Richards' municipal band and was presented a gold watch by the principal and vice principal of the Great Falls high school, Mr. Ranquet and Mr. McPherson.

Two weeks ago the town had been in an uproar. Ben Stephens, a retired screen partner of the glamorous Jean Harper of the past, had returned to see the campus which he had trod years before. He was greeted at the Senior entrance by a few members of the faculty: Miss Gene Norby, art; Mr. Doran, athletics; Miss Dotseth, commercial law; and Miss Devney, English.

As Lester sat reminiscing over his high school days, his thoughts were interrupted by Richardson, the new commentator of station ZXY, owned by Elroy Klaue, announcing that the rocket ship piloted by John Thurston, Jack Brown, and Maevis Miller had successfully reached Mars. Also that Ralph Cummings was on the verge of completing a new mathematical law. Curtis Harris and Lorraine Mahon were appearing in "Two in a Gunboat." The show is produced by Lee Schmidt, with Jack Clark as sound engineer and Artura Harsh as costume designer. George Arthur, American diplomat to the Congo, had made a friendly visit to the black chief, and Marion O'Brien had retired from the newspaper business and was embarking on a world cruise.

The news comments finished, Lester again centered his attention on the letter. Ted now describes the old home-town. On Main street is the Caples

## THE PROPHECY

Come-On-In candy shop whose clerks are Valerie Lapeyre, Arlene Leatherman, and Dorothy Huber. In the window is a sign advertising Jerry O'Mahony's circus, featuring the trapeze artist Daisy Morris, Helen Beth Severance the rubber girl, and the fire swallower Hugh Muir. Around the corner is the Mulvaney Studio, famous to the women for driving instruction. His studio uses exclusively the Orville Gray Super model coupe. Next door is Bob Rowell and Meredith A. Mehl's Conservatory of Music which is greatly in debt to Mehlhoff's chain of grocery stores. The charred remains of the Houge machine shop, which burned in spite of the gallant efforts of Fire Chief Bill Butts and his staff consisting of Harold Rhein, Conrad LaSalle, Carl Swenson, Don Overose, Bob Miller, Don Shaffer and Fred Tietjen to save it, is on the corner just south of the conservatory.

The new hospital financed by Don Green and his partner Charles Carlson, has just been opened with Dr. Albright as head surgeon; Florene Thompson, Sister Superior; Lois Joers, head dietician; Rhoda Tappan, bookkeeper; and Sister Skiftun, in charge of the children's ward.

The new Stafford Stardust Night Club is opening with Bill Kuschel, master of ceremonies, and Miss Ethel Jean Miller, Blues singer. The waiters are Bill Rumpf and Lathan Vining. There are specialty numbers by Alex Gomavitz and Eleanor Salmenson. Twice a week the club is honored by the presence of the great Eddy Sanders' Swingsters.

Miss Marjorie Klick heads the staff of librarians in the new library. Her able helpers are Edna Lawson, Orillia Rose, Alice Knudsen, and Eileen Gorman. Miss Harmison is in charge of the children's department. The library features books by home talent which include authors such as Sylvia Miller and Ray Morris.

Lester reluctantly reaches the end of the letter and prepares for his day's business. At his office his secretary, Eleanor Smith, is busily tapping on her new noiseless Penland automatic typewriter. She pauses long enough to remind her boss that his first engagement of the day is to answer a letter from a member of the Roundup staff of the G. F. H. S. Upon investigation it is learned that the correspondent is a junior member of the staff and none other than the son of the illustrious Wayne Bridges, working for sponsors to the Roundup, which has doubled in size during the past twenty years. Mr. Hogan makes out a check on the Hill-Frank Banking Company for \$200, knowing from experience that such a sum would be a pleasant surprise.

We now leave Lester recalling the high school days when he was Editor-in-Chief of the 1938 Roundup.

# HOURS TO BE REMEMBERED

- September 7-8—My freshman brother was initiated into high school life while I slept soundly. On Tuesday I ended my vacation.
- September 24—The first Iniwa was brought to classes today. Bumper and I figured in the gossip column and did some fancy figures at the Senate Fall Frolic during the evening.
- October 1—What an asesmbly! After hearing "Wings Over the Atlantic" I want to be a second Lindbergh.
- October 13—The Roundup staff was announced. I'm saving my place-card from the luncheon in the cafeteria.
- October 19—Votes and more votes were counted today. Talcott gains the presidency.
- November 6—Bumper's football suit was stored away in mothballs after the championship game, ending Butte 32—Great Falls 6. I rode the special train to Butte.
- November 11—Bugles blowing! Veterans in uniform! The Armistice Assembly thrilled Bumper and me.
- November 15-19—Results of the Roundup Campaign show that many are interested in my literary ability.
- November 19—What a thrill! I wore my new wool dress to the Agora Club dance.
- November 25-26—The biggest and the best dinner of the year and also a much appreciated vacation.
- November 30—Another outside assembly today featuring the Mississippi Jubilee Singers. I went away humming "Old Black Joe."
- December 3—The faculty presented its play, "Helena's Boys," for the public this evening. I found there was a great deal of talent among our faculty and felt very proud.
- December 10—Business Club Barn Dance tonight and Bumper and I had a grand time. We are thinking of heading for the farm.
- December 20—Santa in person was in the assembly today. He felt especially generous and presented his gifts with appropriate remarks.
- December 22—Bumper was very proud of me in my new formal as we "swung it" in grand style at the Booster Ball.
- December 23-January 2—I took advantage of the Christmas vacation to catch up on my sleeping, skating and dancing.
- January 8—Bumper shown in all his glory at the Lettermen's dance this evening. Winning the game before the dance, furnished reason enough for all the hilarity.
- January 24—Another big election today. Talcott's work of last semester gave him his reelection.
- January 26—Scotch assembly today by entertainers of the Bobby Burns celebration. Oh, how sweetly sound the bagpipes!

# HOURS TO BE REMEMBERED

- January 28—End of semester and thus—report cards. New classes and a chance for a fresh start.
- February 3-4—Some remarkable talent displayed at the all-school play, "Double Door." Bumper and I are considering acting as a possible career.
- February 11—Players' Prom tonight with the gym decorated with valentines. Bumper and I entered the prize waltz but didn't make much showing.
- February 25-26—Bumper and I attended the matinee performance of the modern comedy operetta, "Tune In." It was quite different from the usual type of operetta, and we thoroughly enjoyed it.
- March 8—Wonders of liquid air! Today we saw a cloth crumbled like crackers and a rubber ball bounce like a light globe.
- March 9-12—District basketball tournament scores were a surprise. Bumper actually thrilled me at the Havre games.
- March 25—The Band Concert was well attended. Bumper and I marched home with the music reverberating in our ears.
- April 1-2—Bumper and I found ourselves broke but happily tired after the annual Booster Carnival.
- April 9—The Vaudeville was a great inspiration. I wish Bumper could manage his feet like Eleanor Salmenson.
- April 9-17—Eight wonderful days of vacation for Easter.
- April 23—The Senior Ball outshone all previous balls. The music was too, too wonderful.
- April 29-30—We attended the Senior play, and the acting made me proud to be a member of the senior class.
- May 6—Cowboys, Indians, and girls in hoop skirts—Roundup Day was again a complete success.
- May 9—Senior Privileges. For once I lead a life of leisure.
- May 13—Co-ed Prom. No boys allowed. Original costumes were in order.
- June 4—Every girl looked as pretty as a flower—no wall flowers at the Junior Prom.
- June 5—Tonight Bumper and I attended class services. All decked in blue and white gowns, we spent a brief hour, long to be remembered.
- June 7—The long awaited Roundups were distributed today. Mine is already well-filled with signatures.
- June 9—Graduation. At last we have reached our goal after striving to gain it for four years.
- June 10—The last day of school—now for a long vacation.

# LAST WILL AND TESTAMENT

Last Will and Testament of the senior class in the year of our Lord 1938 of the Great Falls High School, City of Great Falls, State of Montana.

We, the senior class of 1938 at the ripe old age of four years, and being in sound mind and memory, do hereby make, publish, and declare this our last Will and Testament; that is to say:

To Mr. Jahr we bequeath nothing but the fond memories of our class. We leave the privilege of occupying the seats in the front of the auditorium to the juniors. Hoping that the freshmen will use it, we leave them some fatherly advice. Don't slide down the banisters—janitors dust off all specks of dirt.

Helen Beth Severance leaves her debating ability to her sister, Margaret. Paul Smith leaves his red hair and his grin to Lyman Robinson. Connie Hanson has decided to donate her blonde curls to Betty Larson. Adela Stanger and Maxine Baker will their love for athletics to Marjorie Thorndyke. Phyllis Brees leaves her charming personality to Helen Sechená. Alice Bandel bestows her A's on Persis Johnson who will make good use of them. Rhoda Jane McDonald gives her love of Latin to Evelyn LaChapelle. (She won't need it.) Arline Parker's soprano voice is bequeathed to Phyllis Yelocan. George Arthur leaves his ability to select ties to Al Robinson. Joe Harper's height is willed to Marvin Wise. Joyce Lundhagen leaves her roller skates to Ruth Cooney. Charles Sieben wills his band sweater to Harold Arneson. Sue Frantz decides to leave her blooming cheeks to Patricia Funk. Marjorie Kroboth leaves her brown velvet eyes to Mary Agnes Graham. Bruce Nelson's personality goes to anyone who can make good use of it. Helen Hoidal leaves her cat-like curiosity to Betty Currell. David Germain's vocabulary of large words is left to Hazel Miller.

Helen Cosman has decided to be "scotch" with her affection for a certain someone. Harry Pancich wills his sarcastic grin to Bob Williams. Mary Murphy leaves that "school-girl" complexion to Dorothy Rule. Bonnie Anderson's dimples are bequeathed to Marie Stablein. Shirley Monroe leaves his business ability to Jack Harper. To Helen Hendrickson are gladly willed Belle Middleton's freckles. Bob Moran reluctantly leaves his manner to Joe Hume. Betty Ruth Dratz bestows upon Eleanor Erickson her place in the Players' Club. Henry Lussier's gallant swagger is left to Henry Stanley. "Gerry" Shephard wills her nickname to Geraldine McCormack. Elaine Strong's bubbling giggle is bequeathed to Almeda Ripley. Norma Barrett leaves her love for gum to Lucile Clodfelter. Ernest Haney's bowling score goes to Art Skiftun. Ruth Hanson wills her finger nail polish to Connie Eklund. Mary Berlinsky leaves her smile to Wanda Winters. Delores Simmons leaves her "dates" to Mary Jane West. Jack Stackhouse bequeaths his love for an argument to Bayard Parham. Clarence Leslie leaves his way with the girls to the luckiest boy. Gwendolyn Galt is willing to share her intelligence with Elaine Anderson and Joy Campbell.

We duly appoint Mrs. Rowe and Mr. Scovil as executors and sincerely hope that they never execute it, and we do hereby and herein make known and declare this highly important document to be the Last Will and Testament of the senior class of 1938, written, signed, and sealed, on this tenth day of June, Anno Domini 1938, in the presence of the Literary Board of The Roundup.

SPONSORS

## APPRECIATION

Publishing an annual of this size requires many hours of work on the part of the staff. This, however, is only one part of the task of making a successful yearbook. In addition to the literary work necessary to publish this 1938 Roundup, adequate financing was necessary. As in years past, the proceeds derived from the sale of books would not pay for the cost of the annual. For this reason, the Roundup staff again this year turned to the business and professional men of Great Falls, who, in years past, have so graciously helped in a financial way.

This year these individuals again came to our aid. We are pleased to list so many firm names as evidence of this fine support, and we trust that this Roundup will prove worthy of this sponsorship and that the sponsorship itself will be a profitable form of advertising for the firms which are listed on the following pages.
